Dear hiring manager,

I came across the Backend Development Intern position you currently have available at Airepro Solution Pvt Ltd. I found this opening listing on Facebook.

I have read the job description and requirements and feel that I am a great fit for this position. I have six month of working experience. As you'll see, I am good at Javascript (ES6), Node.js, Python, OOP, React.js, React-Native, Firebase. Also, I am familiar with SQL, MySQL, MongoDB, Android Studio. I have done a couple of projects using these tools and technologies. Building user-friendly websites and single page applications is truly a passion of mine and I am confident, I would be an excellent addition to your organization.

Thank you so much for your time and consideration for this position, and I look forward to hearing from you soon. I would like to do any relevant tasks to prove myself for this role. Please do not hesitate to reach out if you would like additional information.

Sincerely,
Rased Uz Zaman
